In re Application of :
Albert K. Chin :
Application No. 10/696,381 : DECISION ON PETITION
Filed: October 28, 2003 :
Attorney Docket No. 80121-08565 :

This is a decision on the petition filed May 26, 2006, under 37 CFR 1.137(b), to revive the instant nonprovisional application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** final agency action within the meaning of 5 U.S.C. § 704. No additional petition fee is required.

Petitioner states that the application is abandoned for failure to file a rescission of a non-publication request.

If the instant non-provisional application is the subject of an application filed in a foreign country and the U. S. Patent and Trademark Office was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in a foreign country, however, petitioner has not provided the exact filing date of the foreign application or a rescission of the non-publication request. Before a proper determination on the merits of the petition can be decided, petitioner must supply the filing date of the foreign application and a rescission of the non-publication request.
